Why does SWU sponsor ministry teams?

1. To carry the power of the gospel to a needy world.
2. To develop our own students' spiritual and ministry lives.
3. To promote SWU among churches and friends of the university.
4. To recruit other students who will benefit from SWU.

If you're selected for a team, you will be stretched, but you'll grow a lot! You'll influence others to live closer to Christ, bring new friends to SWU, and see a lot of people in heaven because of your ministry!

To be on a SWU ministry team you must be very committed to Christ, concerned about people, eager to promote SWU, and be in good academic standing. The University Singers will represent Southern Wesleyan University for public relations events, conferences, churches plus a variety of major campus and community events throughout the spring and fall semesters. Please be prepared to sing a piece of your choice at the preliminary audition. You may bring an accompanist, or you may use an iPod or CD track.

- ***Please dress appropriately for the audition. (Guys / dress shirts / ties) (Ladies/ dresses or dressy pant suits).***

Please have 2 different individuals fill out reference forms for you and have them returned directly to the gkerstetter@swu.edu. These references should be from people who have had supervision over you as it relates to a job, work study, youth pastor, or musical director. It is not appropriate and will not be accepted if "a friend" fills out your reference form. ONE REFERENCE NEEDS TO COME FROM A PASTOR, YOUTH PASTOR OR MUSIC PASTOR.
